Dear Dartmouth Park Road Residents Association

**Development Management Forum
Parliament Hill School, William Ellis School and La Swap Sixth Form**

I am writing to invite you to a meeting of the Camden Development Management Forum about proposals for Parliament Hill School, William Ellis School and La Swap Sixth Form.

Date: Wednesday 15 October
Time: 7pm to 9pm
Place: Morant Hall, Parliament Hill School, Highgate Road, NW5 1RL

The purpose of the meeting is to discuss the proposal before a planning application is made.

After a presentation by Camden Council as developer of the site there will be an opportunity for you to ask questions and to give your views on the proposals as they stand at this stage.

The proposal is:

Alterations and redevelopment at Parliament Hill and William Ellis Schools and La Swap Sixth Form including

Parliament Hill School

Demolition of buildings along the western and southern edge of the site and northern boundary with William Ellis school (Heath building, Gym, the Main Hall, the Octagonal Building and the Drama/ Exam block) and erection of a 3 storey building towards the southwest boundary.

William Ellis School

Enclosure of inner courtyard and erection of a 2 storey extension towards the northern boundary

La Swap Sixth Form

Erection of a single storey building located along Highgate Road

We think the meeting will be helpful in identifying and focusing planning issues and that it will give you an opportunity to ask questions and give your own ideas.

A planning application has not yet been received from Camden Council as the developer for this site. If one is submitted in the future the Council as the Local Planning Authority will publicise and consult on the application in the normal way.

You can find more information about the Development Management Forum in the [Major Developments section of our website](#) or you can contact me by phone on 020 7974 1797 or by email at dawn.allott@camden.gov.uk.
