- **Return library books and other items**
- **Collect your requested books**
- **Pick up book bundles**

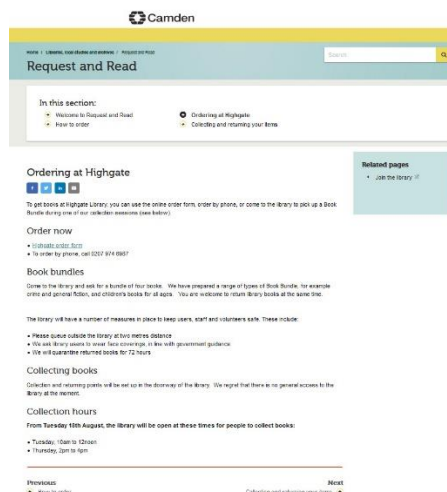

Highgate Library – Request & Read Service Guide

The Request & Read service provides each Library card holder the opportunity to reserve up to four books in advance for collection at Highgate Library. Books can be requested online or by telephone. Whilst there is no inter-library stock movement of books, an accurate position of stock in Highgate Library cannot be provided.

Therefore, when making requests customers should request a specific author and/or title of book, or a genre of book. Once the request has been submitted please allow a week for the books to be collated at which point the Librarian will contact you to confirm that books are ready for collection and a date can be arranged to collect them from Highgate Library.

The process for online ordering is as follows:

1. Please visit website <https://www.camden.gov.uk/request-and-read#xlcl>

2. Select the Order Now option and click this link <http://www.camden.gov.uk/read-and-request-form-highgate-library>
3. Complete the form which includes optional sections for Adult and Children's books

Alternatively, please contact 0207 974 6987 to place a request by telephone

after which the books will be collated and you will be contacted to arrange collection when ready.
